

Accounting Manager

Accounting Manager

Brøndby IF is seeking an Accounting Manager for a newly established role that will play a central part in developing the company's external reporting and compliance setup. The Accounting Manager will work closely with colleagues in the finance department and interact with various parts of the organization. The Accounting Manager will report directly to the CFO.

Brøndby IF is one of Denmark's most successful companies within the sports, events, and entertainment industry. The company is listed on Nasdaq Copenhagen and prepares its annual report in accordance with IFRS. Additionally, Brøndby IF is subject to reporting requirements from DBU and UEFA. Brøndby IF is part of the Global Football Holdings L.P. Group which also has ownership in football clubs in Belgium, Portugal and Germany.

At Brøndby IF, we focus on ensuring that our external reporting and compliance setup creates value for our customers, shareholders, and many other stakeholders. In other words, we seek to balance the cost of producing reports and ensuring compliance with the value these bring to stakeholders. Significant events at Brøndby IF are continuously communicated via our website and social media channels and receive extensive coverage from external media. Therefore, we recognize that much of our statutory reporting has already been communicated through other channels, making a lean and efficient reporting process our key priority.
